Chandigarh Administration.

Memo no. GCCBA-42/13/ 1188  
Dated Chandigarh, the 28/9/13

Subject: - Request for **No Objection Certificate** to start M.Com Classes for the session 2014-2015.

Govt. College of Commerce & Business Administration is an exclusive college of education hub, for the youth coming for studies not only from the neighboring states but also from the far flung states of North East the demand for seats in commerce has been gradually increasing over the years in all the Arts & Science Colleges in the city. The need of the hour as well as the demand of the students now is that we should start Post graduation classes (M.Com) in the college.

With commerce being a popular stream and B.Com in every College there are more than two thousand seats in B.Com but there are very few colleges which have Masters in commerce stream and ours being the only college for commerce and B.B.A with specialization in commerce, there is an urgent need to start masters in commerce in this college.

There are very few seats of M.Com in the city colleges and the aspirants who are willing to build their career by pursuing masters of Commerce in Chandigarh colleges have to move out of the city for admissions and are disappointed because 85% of the seats are reserved for the students of the city/states, they are eligible only in the 15% quota for the students applying from other cities/states. The Masters in Commerce once set up in our college would offer better and a wide arena of carrier options to the students offering commerce and related courses that would bring them both success as well as financial security easily. Also start of M.Com classes if granted to our college will help the academically inclined students to pursue their higher education in Commerce College itself and help the students and faculty to take up various projects taking the college to higher heights.

Though we don't have our own building and our own permanent faculty but still we will be able to manage our post graduate classes quite effectively and efficiently, by extending our time table till late. Kindly issue **No Objection Certificate** to GCCBA-42 to Start M.Com Classes for the session 2014-2015. So that further necessary action may be taken up with Panjab University accordingly.
